"SCOUTING AROUND THE WORLD..."

Spring Area Camp Newsbulletin #3

Planning for our Area Spring Camp should be in high gear or almost complete at this time. Your dedication to this will ensure an enormous success!

Since not everyone attends meetings (although always welcome!) and not everyone has email, I ask that in your group please ensure that all your 'families' get a copy of the Newsletters that will be circulated periodically until our camp takes place. I learned last night that not everyone is 'getting the news'.....

The following are points that we want all to be aware of, (in no particular order):.....

- Theme: Scouting Around the World
- Dates: June 5, 6 & 7, 2009
- Location: Camp McLean (we have the entire camp)
-
- Cost is \$35. per camper, \$20. for Saturday guests, (eg. Grandparents) and for every 10 registered youths attending from a group 1 leader will be able to attend for no charge.
- The 'Registration Packages' were handed out at the January Scouter's Club (find it also on our web site)
-
- *****Registration Packages***** are to be handed in completed to the Camp Registrar....Debbie Beukers at the March 19th Scouter's Club.
- *****Section Program outlines***** are to be presented and submitted at the March 19th Scouter's Club.
- *****Registration is on Friday night*****...guests must be pre-registered with the group.
- *****Crest design suggestions***** are to be handed in that same night to Bernie Delahaye.
-
- There is a Scout Group coming from Alberta***
-
- For arrival and departure, please car pool or drop off where possible.
- There is not enough parking space to accommodate 5th wheels or travel trailers.
- White Tail Beavers will be participating in some linking activities (with Pack)
- Beavers will have their snack organized for them in the am & pm.
- This is a nut free camp!
-

- We will have a supervised display area for any items depicting "Scouting Around the World" if you are willing to share with the Campers.
- We will also be flying *flags from around the world*, if you have any to share.
- Pets are not permitted, thank you!

See you at the next Camp Planning meeting:

Date: April 6th, 2009
