"We are now offering both Half-day and Full-day options for our Kid Rock Camps. Half-day camps will cover the safe use of equipment, belaying and knot tying. We also instruct your budding Rock star on movement and climbing techniques that will have them climbing the walls with ease. To help monitor your child's improvement we have them record their progress in their daily climbing journals.

For a Full-day option, we have teamed up with Club Aviva gymnastics to provide some activities that will be sure to complement the skills learned on the wall. Activities will include gymnastics, tumbling/fall technique, trampoline, and theme related crafts.

Completion of the Kid Rock Climbing Camp gives your child a firm grounding in the essential principles of climbing. Eager students can continue their climbing instruction in our Jr. Program
