Hello Pack Scouters,

For those of you that were not able to join us at Scouters Club last night – here are a few updates for you:

98.5 Nicomekl – 10th Annual Breakfast with Santa – December 2nd & 3rd (flyer attached)

98.5 Nicomekl Venturers and Rovers are proud to present the 10th Annual Breakfast with Santa at Camp McLean and it is open to all registered Beavers and Cubs in Nicomekl Area and all Sparks, Brownies and Guides in Fraser Skies Area, their parents and siblings. Come and attend a hot breakfast of pancakes, ham and hashbrowns before visiting the craft and activity area and having a visit with the big man himself - Santa!!

Registration opens on November 1st and is limited to 160 per timeslot (timeslots sell out quickly). The ONLY place that you can register is via www.98nicomekl.ca – registering on ScoutsTracker will not secure you a ticket to the event.

Cub Swim Night – December 4th

Reminder that we still need someone to organize this event. Numbers of those attending are due at November Scouters Club

NEW EVENT ADDED - Scout Night with the Surrey Eagles Hockey Team – January 14th (flyer attached)

Nicomekl Area Beavers/Cubs/Scouts/Venturers/Rovers will be making their way to the 3rd Annual Scout Night with the Surrey Eagles Hockey Team. We will be watching the hockey game and cheering on the Surrey Eagles as they play against the Cowichan Valley Capitals and then after the game there will be a free skate with some of the players. The game starts at 4:00pm so please plan to arrive at approximately 3:30 to get your tickets and find your seats. Cost is \$5 per youth and \$7 per adult and family members are welcome to attend. Additional costs would be skate and helmet rental if you don't have your own. All youth and Scouters should be in uniform and the Group with the largest number of tickets sold will be presenting the flags for the singing of O Canada at the beginning of the game. Deadline for tickets is December Scouters Club. Please share this information with the Scouters from other Sections in your Group.

For those of you that are interested – here is the link for the craft we did last night in our Section meeting. Paracord Christmas Trees are easy to make as they only require the Cubs to know how to do a Reef Knot. Suggestion: If you are going carolling at a nursing home – these make a great and

inexpensive gift for the residents. PoCo Military in Langley sells 100 feet of paracord for \$12.95 and will give you a Scout Discount (100 feet makes 20 trees). <https://www.youtube.com/watch?v=48Yffrpg27I>

Thanks and I look forward to seeing everyone next month at the Scouters Club meeting on November 16th.
