

# RAFTING FOR SCOUTS

Our RAFTING FOR FAMILIES adventure is perfect for Scouts and anyone else looking for a fun and gentle rafting trip. The trip starts and finishes at our Adventure Base in the Squamish Valley, a gorgeous 1 hour drive from Vancouver and Whistler. The rafting trip itself is just over an hour in length and features small splashy rapids, outstanding scenery and lots of smiles. On any given day you'll see lush forests, a variety of wildlife, towering peaks and glaciers, and waterfalls on the mountainsides. This adventure is a great opportunity to take your group out for a day they'll really enjoy. It's the only rafting trip in the Vancouver-Whistler area available to children as young as five years of age.

Complete details, photos & video of this trip can be found at [www.canadianoutback.com/raft\\_families.htm](http://www.canadianoutback.com/raft_families.htm). If you're looking for something wilder, ask about our "Wilderness Whitewater" rafting adventure (available for those 13 years and older).

## Age & skill requirements

Participants should be 5 years of age or older to take part in this adventure. You don't need to have any previous rafting experience or any special skills to fully enjoy this trip.

## What's included? What do I need to bring?

We include all the equipment required to raft, a professional raft guide, and smiles! You'll need to bring clothing appropriate for the weather. A change of clothes and a towel are always a good idea as well, especially for Scouts who like to splash each other with their paddles!
